- For any investment into a non retail asset*, Friends Provident International will require the underlying client to positively confirm that they meet the regulatory and jurisdictional entry requirements for investment into that asset. In the event that additional signed declarations are required, these will be provided by us.

Where the underlying client is unable to confirm that they meet the regulatory and jurisdictional entry requirements, investment will not be permitted.

- If you link your policy to a cash deposit account your investment may not be covered by any depositors compensation scheme, should the deposit account provider become insolvent. This is because you are not the owner of the account(s) linked to your policy, we are. Any amount (if any) which we recover under any depositors compensation scheme could be substantially less than the amount you might have been able to recover had you owned the cash deposit account(s) yourself.

Where any cash deposits are chosen, we will require the policy owner to provide us with a declaration in addition to this form to confirm they understand the risks involved.

*** Non Retail assets means an asset that is targeted at investors who possess the specialist knowledge and experience that allows them to understand how complex assets operate and who have the net worth to stand the risk to capital consistent with investing in such assets.**

For Reserve + : An Arabic version of this document will be made available upon request.

Policyholder cash deposit declaration

Policy number

I fully acknowledge and accept the risks associated with linking the value of my policy to a cash deposit account, and I am aware that my deposit may not be covered under any depositor compensation scheme should the deposit account provider become insolvent. I understand that this is because Friends Provident International holds this account on my behalf. Therefore the amount (if any) which is recoverable under any scheme could be substantially less than the amount I might have been able to recover had I owned the cash deposit account directly.

I accept that in the event of the insolvency of my chosen deposit account provider, Friends Provident International will have no responsibility for any loss. By signing below I acknowledge the above statements and request that a deposit is made with the provider and account named below.

I am aware and acknowledge that the institution(s) and/or their subsidiaries which I choose to invest in may not be institutions or subsidiaries where Friends Provident International would normally hold balances or deposits.
