

Request for payment by withdrawal or surrender

For use with Singapore products only

Important notice

As full or partial withdrawal transaction is not allowed to revoke after we processed, please note on the following if you wish to proceed.

1 An insurance policy is intended to meet your long-term financial needs. Therefore, it may be disadvantageous for you to withdraw or surrender a policy as early encashment charges could apply.

Some disadvantages are:

- You are losing valuable benefits from your policy:
 - You are losing the insurance protection offered by your policy;
 - You may not be able to achieve your intended financial objective;
 - This may result in losing the financial benefit accumulated over the years.

2 Additional charges/fees

If you withdraw or surrender your investment-linked policy, and then buy a new investment-linked policy or other investment product, top up your existing investment-linked policy or other investment product, you will incur new charges. These may include:

• Distribution Fee

Commission is paid to agents/financial advisers on all new insurance policies/investment products.

• Administration charge

There could be some surrender charge/withdrawal fee that is charged for each new policy/investment product.

On single premium products the surrender charge/withdrawal fee can be as high as 10% of your investment-linked fund. Hence, on a single premium investment of SGD100,000, a surrender charge of SGD10,000 would be deducted.

On regular premium products outside of their Initial Unit Period the surrender charge/withdrawal fee can be as high as 93% of your initial unit value.

Hence, on a regular premium product with an initial unit value of SGD100,000, a surrender charge of SGD93,000 would be deducted.

• Policy fee

A policy fee is usually incurred for each regular premium policy.

3 Fund switching facility

When the fund you have bought is not meeting your initial or current investment objective, you may switch to other fund(s) offered by the Company at its bid price without incurring any charges.

4 Other options

You may enquire whether there are other options available under your policy to meet your short-term financial needs. Some options are:

- Opt for a premium holiday if your policy has an accumulated cash value (applicable only to regular premium policies). This allows you to temporarily stop paying premiums; or
- Reduce your regular premiums (applicable only to regular premium policies). This allows you to reduce your ongoing financial commitment to the policy.

5 Seeking advice from your adviser

Therefore, it is important to seek advice from your adviser before early withdrawal or surrender of your investment-linked policy or other investment product. Your adviser can advise you on your options other than withdrawing the policy, explain the implications of each option and provide appropriate recommendations to you, taking into account your investment objective, financial situation and particular needs.

Are you aware of your options? Do you need to fully surrender your policy?

If you would like further information, please call us on +65 6320 7399 (Singapore office) or email us at singapore.enquiries@fpiom.com, and we will be happy to assist.

Important notes

- 1 As early encashment charges or surrender fees may apply, we strongly recommend you obtain a surrender quotation before completing this form. Please note that all charges will be deducted from the amount payable. For details of the charges, please refer to the Summary of Charges in the relevant product Principal Brochure and Technical Guide (if applicable).
- 2 All payments will be made in the currency of the policy, unless otherwise requested.
- 3 No action will be taken on any request to surrender, until this written notification, signed by all policyholders, has been received by Friends Provident International at its registered office address or customer service team mailbox, singapore.enquiries@fpiom.com. The payment of surrender benefits may be delayed until all necessary documentation has been received.
- 4 If you wish to surrender individual policies which make up part of the policy or portfolio bond, you should specify the policies to be surrendered, and also provide dealing instructions to cancel sufficient units to cover the value of the policies being surrendered.
- 5 If you have a Global Portfolio, we will debit all withdrawals to your General Transaction Account (GTA). If this causes the GTA to go overdrawn, we will charge debit interest to the account. To avoid this, you or your adviser should give us dealing instructions to credit the account.
- 6 The surrender of your contract may have taxation consequences in your country of residence. We suggest, therefore, that you contact your financial adviser to discuss these implications.
- 7 UK residents' reporting requirements – any policyholder who is UK-resident has an obligation, under the UK self-assessment tax regime, to report to HM Revenue & Customs (HMRC) any chargeable event arising in relation to the contract. Under UK law, we have a statutory requirement to supply information to HMRC about UK-resident policyholders in certain circumstances.
- 8 Friends Provident International, which has underwritten your policy, is a member of The Association of International Life Offices (AILO). This note is designed to ensure that investors are made aware of the potential consequences of surrender of policies, particularly in circumstances where the early encashment of an existing policy is followed by a new proposal to another life office.

The costs involved in establishing a life assurance policy for an investor are generally passed on to the investor in the form of charges payable upon the taking up of the policy, or upon its ultimate surrender. For this reason, AILO member companies endeavour to ensure that the investor is aware at the outset that such a policy should be regarded as a medium to long-term investment. In most cases, the policy will also provide that early encashment is subject to a surrender penalty.

Investors should therefore be aware that the surrender of an existing policy in favour of a new proposal to another life office will in most cases necessitate the further payment of at least one and possibly more sets of charges by the policyholder. Investors are accordingly advised to examine carefully the level of charges payable upon surrender of one policy in favour of another and to consult their professional advisers when considering such a change. It may, for example, be that your present policy provides switching facilities, which allow a change of investment strategy at minimum cost, without the need for surrender.

The purpose of this note is to ensure that the investor is made fully aware of the potential costs of transferring from one policy to another. It is not a substitute for independent investment advice and investors should consult their own professional advisers.
9. Any incomplete instruction will result in a delay in processing your instruction and Friends Provident International shall not be liable for any direct, indirect, special or consequential loss or damages arising from such delay.
10. If for any reason this form is incomplete and your instruction cannot be processed completely, Friends Provident International will not process any portion of the instruction.
11. Withdrawal or Surrender claim request will be effective based on receipt of full requirements and money will be released only after documents have been received and verified.
12. Specified US Person means a US citizen or tax resident individual who has a US residential/correspondence address or who either holds a US Passport, a US Green Card or who was born in the US and has not yet renounced their US citizenship. More information on US FATCA can be found at: www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA

If you choose Yes to being a Specified US Person, you will need to provide us with your US Taxpayer Identification Number (TIN) or US Social Security Number (SSN).

If you choose No but you have a US residential/correspondence address, hold a US Passport, a US Green Card or you were born in the US, you will need to provide us with documentary evidence that you are in the process of or have renounced your US Citizenship. FPI can accept a certified copy of your DS-4083 form (also known as CLN – Certificate of Loss of Nationality) and/or a certified copy of your passport in which you are obtaining new citizenship.
